

# Vorlon Announces Series A Funding from Accel

PALO ALTO, CALIFORNIA, USA, April 17, 2024 /EINPresswire.com/ -- Vorlon, a leading provider of proactive third-party API security.

[Vorlon](#) announced today that it has raised a Series A round of funding from Accel, a leading venture capital firm. The round totals \$15.7 million, bringing Vorlon's total funding to \$21.4 million. The funding will be used to accelerate the company's growth and expand its market reach. Vorlon is a leading provider of proactive third-party API security, helping organizations protect their APIs from malicious attacks and data breaches. The company's platform, Vorlon API Security, is designed to detect and prevent API attacks in real-time, providing organizations with the peace of mind they need to protect their most valuable assets.
