

For Residents at The Ivy at Davenport, April Brings BBQ's and Outdoor Fun

DAVENPORT, IOWA, UNITED STATES, April 30, 2024 /EINPresswire.com/ -- One of the most exciting parts of Spring is the chance for our residents to hang out outside and once again enjoy the pleasant and warm weather. While the winter months see an abundance of bundled up activities and fun, nothing beats that first spring day where we all get to go out and just soak up the sun. One of our most anticipated events that marks the start of the Spring is our Spring Barbeque. This is a great time for our residents, staff, and community members to bond over good food and excellent weather.

"To me the beginning of spring marks a feeling of new beginnings and budding. I love getting to see the happiness on our residents' faces as they feel the warm sun and take in the gorgeous spring flowers that are blooming just for them", says longtime Ivy staff member, Dawn. While last month we had St. Patrick's Day and Easter celebrations this month are more focused on just enjoying eachothers company and the slower pace that comes with Spring. "The Ivy is always bustling with activities and adventures for our residents, but after a long winter our residents are just as eager as the rest of us to slow down and just spend some time outside", continues Dawn.

"I love seeing the easy camaraderie between staff and patients and the strong relationships they have built outside of the medical care they provide. To me that is what is so important, the friendships that are built and maintained between the community we have built at the Ivy", says Ryan Coane, Ivy Healthcare Group President.

The following information provides further details for the event taking place this month. Please feel free to reach out with any questions or comments you may have.
