

# Egnyte Named on the 2024 CRN® Storage 100 List

MOUNTAIN VIEW, CALIF., UNITED STATES, April 17, 2024 /EINPresswire.com/ -- [Egnyte](#), the secure platform for content collaboration and governance, today announced that [CRN®](#), a brand of The Channel Company, included it on the 2024 Storage 100 list in the Data Recovery, Observability and Resiliency category.

CRN's annual Storage 100 list recognizes storage vendors that help channel partners stay ahead of the curve with transformative products and services. Selected by CRN's editorial team, companies on this year's list are recognized for their consistent dedication to advancing storage technology innovation and building strategic channel partnerships to improve their market position.

"We are honored to be included on the 2024 CRN® Storage 100 List. This recognition validates our efforts in delivering efficient, secure cloud storage solutions and motivates us to continue innovating in the storage sector for our channel partners," stated Johnna Bowley, Vice President, Global Partner Sales for Egnyte.

Organizations today are increasingly faced with the challenge of managing and securing ever-growing volumes of digital content. Egnyte's key value drivers for its partner community are the ability to deliver a single, simplified platform that enables customers to share, collaborate and manage critical content securely. Additionally, Egnyte's cloud-based platform can be deployed quickly and seamlessly supporting fast time to value for its users. The Egnyte partner program also ensures partners are rewarded for their role in the sales process, and provides access to exclusive tools and training to optimize partner delivered value.

"CRN's 2024 Storage 100 list spotlights vendors leading the industry in storage innovation with a strong focus on channel partnerships," said Jennifer Follett, VP, U.S. Content, and Executive Editor, CRN, The Channel Company. "We are pleased to recognize these trailblazers in storage and honor how their technology advancements pave the way to partner success across the channel."

Solution providers rely on the Storage 100 as an invaluable resource when seeking vendors who understand partner needs in the complex storage market. Companies on the list are industry leaders in software-defined storage; data recovery, observability and resiliency; and storage components.
