

Air Pros USA Expands Plumbing Services Under Drain Genie Brand

National home services company plans to introduce plumbing across all markets

ORLANDO, FLA., UNITED STATES, April 17, 2024 /EINPresswire.com/ -- [Air Pros USA](https://www.airprosusa.com), a leading residential home services company specializing in heating and cooling, will now offer plumbing services in Orlando, Florida under the [Drain Genie](https://www.draingenie.com) brand. Starting immediately, customers in the Orlando region can book appointments for kitchen and bathroom repairs, hot water heater installations, and drain cleaning with the same high quality, professional service they have grown accustomed to with Air Pros USA.

Drain Genie truck

Florida based Air Pros USA has been providing highly skilled plumbing services through local brands in Alabama, Texas, Colorado, and other markets for several years. The expansion into Florida is one of the first for the company under the Drain Genie brand. The growth of the company into plumbing services across all brands and markets has been expedited, thanks to the recent acquisition of Drain Genie's customer list.

“

We understand the importance of having a dependable plumber and pledge to deliver nothing short of excellence to our customers.”

*Debra Held, Air Pros USA
National Director of Plumbing
Services*

Under the direction of Debra Held as National Director of Plumbing Services, Drain Genie will be an extension of Air Pros USA and will adhere to stringent hiring practices, ensuring superior quality, reliability, and safety for every project undertaken.

“At Drain Genie, our mission is to provide homeowners with peace of mind by offering top-notch plumbing

services they can rely on,” says Debra Held, Air Pros USA National Director of Plumbing Services.

"We understand the importance of having a dependable plumber and pledge to deliver nothing short of excellence to our customers. Homeowners can trust the Drain Genie experts to provide prompt, professional, and efficient solutions tailored to their specific needs."

Held's expertise spans 35 years across various facets of the plumbing industry, including service, remodeling, retrofits, design-build, project management, and new construction projects.

"With Held leading our plumbing services, Air Pros USA and Drain Genie is positioned to capitalize on her vast expertise and industry insights," says Anthony Perera, Founder and Chief Growth Officer of Air Pros USA. "Debbie will play a pivotal role in fostering innovation, broadening market reach, and elevating customer satisfaction."

Air Pros USA's plumbing services under the Drain Genie brand will continue to expand first across the South Florida area and then additionally across other regions. Hiring is underway in several markets and experienced plumbers and those interested in learning the trade are encouraged to contact Air Pros USA for details.

About Air Pros USA:

Air Pros USA was founded in South Florida on the promise of integrity, reliability, and putting our customers first. The company has quickly expanded to many metro areas within Florida, Alabama, Mississippi, Colorado, Georgia, Texas, and Washington, with more locations expected to be introduced soon. Air Pros USA currently employs more than 1,000 experienced professionals in more than a dozen metro Service locations including Miami, Orlando, Dallas, Atlanta, Colorado Springs, Mobile and Spokane. For more information visit www.airprosusa.com.

About Drain Genie:

The plumbing experts at Drain Genie, operating under the umbrella of parent company Air Pros USA, deliver first-class plumbing services in Central Florida, South Florida, and Treasure Coast. Drain Genie is poised for brand expansion into additional Air Pros USA markets. Renowned for a comprehensive suite of plumbing solutions, Drain Genie is comprised of a team of highly skilled and licensed plumbers that are committed to upholding the same standards of excellence as its parent company. Drain Genie recruits only the top-tier professionals and remains dedicated to providing high quality, reliable and safe solutions for homeowners.
