Latest Nancy Drew Game Releases on May 7, Official Release [Trailer](#) is Available Now

RENTON, Wash., April 17, 2024 – Get ready for a thrilling blend of adventure, mystery, and history in the latest installment of the award-winning Nancy Drew game series. Step into the world of detective Nancy Drew as she embarks on a captivating new 3D video game, Nancy Drew®: Mystery of the Seven Keys™. This 34th entry in the long-running favorite amateur sleuth series will be released on May 7, 2024. HeR Interactive has also posted the official trailer for Nancy Drew’s newest case here: https://youtu.be/5B_nRAyXtzQ

This all-new game will transport players to the heart of the historic city of Prague as they assume the role of the iconic Nancy Drew. Tasked with uncovering the truth behind the theft of a client’s heirloom necklace, players will navigate and explore the city’s mysterious old-world environments, encounter challenging puzzles, decode riddles, and discover clues. Players will find themselves entwined with medieval legends, alchemy, lore, and sinister cybercrimes as they uncover the real mystery behind the legend of the seven keys.

The game is compatible with Windows® PC and Mac® and can be purchased exclusively on www.herinteractive.com on May 7, 2024, and on Steam® later this year. Developed in association with Unity’s Accelerate Solutions group, [Nancy Drew: Mystery of the Seven Keys](#) features a new, unique dual navigation system that allows for classic point-and-click or free-roam controls. Additionally, Unity’s real-time 3D engine brings detective gameplay to life with immersive inspections, character interactions, and fearless investigating.
