

# Lasering USA Announces Partnership with Resilielle

*Resilielle - Pioneer of Age Zero Exosomes, redefining beauty standards through innovation and scientific excellence.*

SAN RAMON, CALIFORNIA, UNITED STATES, April 24, 2024

/EINPresswire.com/ -- Lasering USA's partnership with Resilelle brings a cutting-edge solution to skin rejuvenation. By combining the renowned MiXto Pro micro-fractional CO<sub>2</sub> laser with Resilelle's Age Zero Exosomes™, the combination treatment offers remarkable benefits:

**Reduced Downtime:** Age Zero Exosomes™ leverage the body's natural healing mechanisms, cutting down the downtime of MiXto Pro CO<sub>2</sub> laser treatment by up to 50%.

Erin Crowley, Resilielle CEO

**Enhanced Results:** These exosomes deliver growth factors that improve resurfacing outcomes, diminishing fine lines, wrinkles, acne scars, and dyschromia while enhancing skin tone, brightness, and texture.

**Powerful Ingredients:** Derived from Wharton's Jelly Mesenchymal Stem Cells, the Age Zero Exosomes™ boast unparalleled nano-technology, making them highly potent for skin rejuvenation.

**Gold Standard:** Considered the [gold standard in topical skin rejuvenation](#), Age Zero Exosomes™ are available in various concentrations to suit different needs.

**Stability and Ease of Use:** The product is stable when refrigerated and comes in user-friendly, sterile vials for both in-office and home-based applications.

Accelerated Recovery: By complementing MiXto Pro CO<sub>2</sub> laser treatment, Age Zero Exosomes™ speed up the recovery process, allowing individuals to resume their daily activities sooner.

Providers and patients interested in exploring this innovative treatment further can visit Resilielle's website [www.resilielle.com](http://www.resilielle.com) or contact them directly via email [info@resilielle.com](mailto:info@resilielle.com) or phone 1-585-484-0058.

Overall, this partnership represents a significant advancement in cosmetic laser technology, offering a convenient and effective option for facial skin rejuvenation with minimal downtime.

“

Harnessing the power of Age Zero Exosomes™, our post-MiXto Pro CO<sub>2</sub> rejuvenation protocol maximizes healing and enhances results by facilitating natural tissue rejuvenation.”
