The Best of Mile High™ Awards, organized by Inbound Systems, is a coveted accolade that recognizes and celebrates excellence in various sectors within the Mile High City. Axis Integrated Mental Health received the top prize against nine other nominees in the Mental Wellness category, showcasing its ability to deliver top-tier mental health services and results.

“

This victory is a testament to the collective effort and shared vision of all involved, affirming our belief in the transformative power of empathy and innovation in advancing mental health for all.”

Christopher Perez

“Today, we are deeply honored to accept this award, not only as a recognition of the excellence demonstrated by the Axis Integrated Mental Health team but also as a profound acknowledgment of the support and trust bestowed upon us by the community who nominated and voted for our cause,” shared Christopher Perez, CEO and Cofounder of Axis Integrated Mental Health. “We extend our heartfelt gratitude to our fellow nominees whose commitment to mental wellness continually inspires us.”

This victory is a testament to the collective effort and shared vision of all involved, affirming our belief in the transformative power of empathy and innovation in advancing mental health for all.”

The selection process for the Best of Mile High™ Awards is rigorous and transparent. There is no cost for candidates to enter the awards program, and nominations are open to local residents who can nominate eligible candidates for any category.

Axis Integrated Mental Health's win in the Mental Wellness category underscores the need Coloradoans have for mental health services that go beyond daily pills and simplifies the complex journey to mental wellness.
