

Sneak Out: Free 2 Play Adventure Starts on June 6th

WARSAW, MAZOWOWIECKIE, POLAND, April 17, 2024 /EINPresswire.com/ -- The official release date of Sneak Out is set for June 6th, 2024. Developed by Kinguin Studios, this highly anticipated game of hide and sneak.

Sneak Out is a free-to-play PC game that transports players to a castle filled with action and gameplay.

Key game features:

Sneaky Co Op:

Sneaky Mechanics:

You can play with many different styles. More hiding and sneaking or more running.

Sneaky Stealth:

Most important part of the game are hide & seek features. Hiding in or sneaking behind environment elements gives players positive feedback like good hide & seek play from childhood. Outsmart the hunter and it's all laughing when you run away from him.

Sneaky Humor:

Light-hearted humor based our various play styles, features and making fun of other players.

Sneaky Customization:

Ability to create your own fun spin on your character, further opening possibilities for various crossovers along the game's lifespan.
