

AMM Innovation, LLC Introduces Rhino BagMate: The Waterproof Rooftop Cargo Carrier for Safe Travel

Discover the top-rated car roof bag designed to keep those gear safe and dry in any condition.

SHERIDAN, WY, USA, April 17, 2024 /EINPresswire.com/ -- AMM Innovation, LLC proudly presents Rhino BagMate, a revolutionary solution for travelers seeking ultimate safety and convenience on their journeys. As the leading manufacturer of durable and waterproof rooftop cargo carriers, Rhino BagMate sets a new standard in reliability and protection for people's belongings.

As part of the Rhino Group, AMM Innovation shares a commitment to excellence and innovation across diverse product lines. From weight bags that stabilize outdoor umbrellas to secure straps for hammocks, collapsible rain barrels for eco-friendly water collection, and protective cases for keyboards, the Rhino Group embodies a dedication to quality and innovation in every product.

With Rhino BagMate as its flagship brand for rooftop cargo carriers, AMM Innovation continues to uphold the highest standards of durability, reliability, and customer satisfaction in every endeavor. Join the company in transforming people's travels with Rhino BagMate and experience the difference that quality craftsmanship makes.

Available at Rhino BagMate's website and [Amazon](#), Rhino BagMate is the go-to choice for adventurers, boasting a 100% waterproof design and exceptional durability. Whether facing rain, snow, or scorching sun, rest assured that those gear remains secure and dry inside Rhino BagMate's spacious compartments.

Crafted with safety as a top priority, Rhino BagMate features innovative door hooks that ensure a secure attachment to a vehicle without compromising airbag functionality. Unlike traditional

roof bags, Rhino BagMate provides peace of mind with its safe and reliable fastening system.

Designed to accommodate all types of vehicles, Rhino BagMate can be easily mounted on roof racks or secured directly to the car's interior, making it a versatile option for any traveler. With adjustable straps and durable buckles, the cargo stays firmly in place even during the toughest rides.

Rhino BagMate's military-grade construction includes a coated tarpaulin, waterproof zippers, and heat-pressed seams, guaranteeing unparalleled protection against the elements. Whether embarking on a cross-country road trip or a weekend getaway, trust Rhino BagMate to safeguard one's belongings every step of the way.

The Rhino BagMate lineup includes two premium options: the 19 cubic feet Roof Bag and the XXL 23 cubic feet Cargo Carrier, both available in sleek black color. With detachable straps for added convenience and extra storage capacity, Rhino BagMate offers unmatched versatility for all your travel needs.
