Festival of Books 2024 is a celebration of the written word that you won't want to miss. This year, Inks and Bindings presents Margaret Liu Collins, the esteemed author of "God is Good."

God is Good: Revised Second Edition

["God is Good: Revised Second Edition,"](#) has captured the hearts of readers worldwide with its profound exploration of the transformational power of faith in everyday life. In a world where God is often portrayed as wrathful and scolding, "God is Good" presents a refreshing perspective, reminding readers that our Heavenly Father is the embodiment of love and kindness, desiring the well-being and happiness of His children.

Born in China during a time of wartime strife, Margaret Liu Collins faced numerous challenges, including being born into a culture that valued males over females. Later, she found herself trapped in a marriage filled with ridicule and abuse, all while caring for her two young children. However, through her unwavering faith and the practice of seeking, recognizing, and heeding God's voice, she discovered the abundance that God offers to all His children.

"God is Good" is a heartfelt testament to Margaret Liu Collins's remarkable journey from

hardship to triumph. In her story, readers are encouraged to embrace a life enriched with spirituality, financial abundance, vibrant health, and loving relationships. Collins's experiences serve as a powerful reminder that these blessings are not reserved for a chosen few, but are accessible to anyone who believes in the goodness of God. Her inspiring journey inspires us to have faith and stay positive, knowing that we can tap into our unlimited potential and create a life filled with joy and fulfillment.
