

# Ambrose Solar Rebrands & Launches New Website

*Trusted by home and business owner throughout Solano County &*

VACAVILLE, CA, UNITED STATES, April 23, 2024 /EINPresswire.com/ -- Ambrose Solar has rebranded and launched a new website that helps customers in [Solano County and beyond](#) learn about the benefits of going

[solar](#). The site features a free estimate tool designed to allow customers to quickly determine how solar can help them save money on energy and how going solar will help environmentally. It can calculate the approximate cost of going solar based on their location, utility, average electricity bill, and a few other factors, and revealing their estimated savings over time.

“

We are excited to present our company with a new look while we help homeowners in Solano County with home and business green solutions. We want to share the benefits that solar systems provide.”

*Pat Ambrose, president of Ambrose Solar*

Ambrose Solar is committed to providing solutions to homeowners and businesses to solve the current and upcoming energy problems. Their goal is to make it simple with a team of energy consultants, installers, and financing options. Their professional advisors can guide customers to take advantage of all available local, state, and federal incentives, rebates, and tax credits.

Offering high quality solar panels, batteries, SPAN systems, and EV solutions Ambrose helps create perfect smart homes. Their construction team is made up of master

technicians, electricians, and plumbers with years of combined experience. Their solutions may eliminate energy costs and will reduce the carbon footprint — customers save money now and long into the future, while also adding value to their property.

Ambrose Solar also provides [service and maintenance to solar customers](#), whether they installed the system or not. They can review energy bills, monitor the solar production, do inspections, removals & reinstalls, as well as repairs and installing critter guards.

“We are excited to present our company with a new look while we help homeowners in Solano

County with home and business green solutions,” stated Pat Ambrose, president of Ambrose Solar. “We want to share the benefits that solar systems provide.”

Ambrose Solar offers some of the [best-in-class panels and solar solutions](#) with 25-year comprehensive warranties. Customers are assured to receive the most advanced, efficient, and best value solar system available. When a system is paired with battery storage, it provides additional savings and peace of mind should an outage occur. To learn more, go to [ambrosesolar.com](http://ambrosesolar.com)

#### About Ambrose Solar

Ambrose Construction, now known as Ambrose Solar, started in 2013 offering remodeling and construction services. Over time, after witnessing poor customer treatment and subpar workmanship in the solar industry, Pat and Ian founded Ambrose Solar in 2017.

As a locally owned company, Ambrose Solar is dedicated to providing the best energy solutions to the Solano County community and beyond. The company offers the best solar panels, batteries, SPAN, and EV solutions, helping to create energy efficient, sustainable smart home lifestyles. With a focus on excellent customer service and high-quality products, they have grown rapidly and now provide residential and commercial full-service solar and energy storage installation. Ambrose Solar’s commitment to their customers is evident through their dedication to being the best in the industry.
