

# Urgent Call to Action: Dr. Egon Cholakian Exposes Decades-Long Threat to Global Democracy

*Egon Cholakian, a venerated figure in the US national security and intelligence, unveils a critical report from a 30-year investigation into secret operations.*

CAMBRIDGE, MA, USA, April 18, 2024

[/EINPresswire.com/](#) -- [Dr. Egon Cholakian](#),

a venerated figure in national security and intelligence, having served under four U.S.

Presidents and various National Security Advisors, unveils April 12, 2024 a critical report from a 30-year investigation into clandestine operations that imperil democracy

across the globe. In his video address this comprehensive analysis, presented through the [Earth Save Science Collaborative](#), provides unprecedented insight into the shadowy maneuvers threatening the pillars of democratic societies.

“

The fabric of our global society is under assault by forces that value power over peace. We must come together, with open eyes and resolute hearts, to protect the freedoms we hold dear.”

*Dr. Egon Cholakian*

Egon Cholakian's video is a must-watch for those seeking a comprehensive understanding of the current geopolitical landscape.

Insights from the Report:

- **Global Disbalance and Hidden Agendas:** The report meticulously documents how orchestrated conflicts have been utilized by shadow forces to destabilize nations. Dr. Cholakian's analysis reveals the architects behind these conflicts and their motivations for sowing global discord.
- **Disinformation and Democracy at Risk:** Dr. Cholakian highlights a series of disinformation campaigns designed to undermine public trust in democratic processes. Case studies, including attacks on the ALLATRA global volunteer movement, exemplify how these campaigns damage

societal cohesion and democratic integrity.

Dr. Cholakian's Plea to the World:  
In response to these findings, Dr. Cholakian calls upon world leaders, policymakers, and the global citizenry to unite against these insidious threats. He stresses the necessity of an informed and proactive response to defend and reinforce democratic norms and to prevent the potential collapse of global peace and security.

Engage and Learn More:

The image shows a video player interface. On the left, a man in a dark suit is speaking. On the right, a slide titled 'Appendix 1.1' is displayed. The slide contains a world map with colored regions and text. The text on the slide includes: 'Appendix 1.1. Illustration of the spread of the impact of the Moscow Participants through the formation of the spread of the Russian and foreign media about the ALLATRA movement and the process of the recognition of the ALLATRA movement as undesirable on the territory of Russia.' Below the map, there are four bullet points: 'Moscow Color: Primary articles that served as the foundation for further publications. They reflect the beginning of the history of the development of the movement within the territory of Russia.' 'The color: articles of this color were directly related to the Moscow Participants and served as the basis for subsequent publications. They brought new members to the territory of the publication of ALLATRA movement, as well as the formation of the movement's organizational structure.' 'The color: articles of this color were directly related to the Moscow Participants in their own or in cooperation with other participants, compared to the color. They were an organizational structure of information in the territory of the movement.' 'The color: articles of this color published on the basis of the main theme of the organization's organizational structure.' The video player shows a progress bar at 1:20:42 / 3:34:10 and a title 'Urgent mobilization of the enemy of democracy in 2020'.

Exposing Case Study: ALLATRA, a global volunteer movement addressing climate change, becomes a notable case study.
