This renewal signals BH Tech Connection's unwavering commitment to revolutionizing the way small businesses harness technology.

We provide managed IT services and IT support options to individuals and businesses with 10 computers or fewer. We serve freelancers, solopreneurs, and established and starting small businesses. Our clients also include small, boutique consulting firms, a

"We are ecstatic to extend our partnership with MSPAA," exclaimed Brady Helkenn the visionary Jedi Master of BH Tech Connection. "IT services are a must-have for most small businesses, and we're excited to be a trusted partner of MSPAA and to reach more of the underserved market: business owners with 10 or fewer staff tend to "fall through the cracks" ' of larger MSPs. The MSPAA is a fantastic way to help reach these owners and establish trust. "
