

# World Premiere Announced: Revolutionizing Sales with AI Voice Agents Kollie.ai will showcase at the MEWS World

*The MEWS World, the most exclusive global web3 summit is announces its strategic partnership with Kollie.ai, an innovative provider of AI-based voice agents.*

MONTE CARLO, MONACO, MONACO, April 18, 2024 /EINPresswire.com/ -- The MEWS World - Metaverse Entertainment World Summit & Awards, the most exclusive global web3 summit taking place May 14-17, is pleased to announce a strategic partnership with Kollie.ai, an innovative provider of AI-based voice agents. This partnership aims to harness the strengths of both companies, and to enable MEWS clients & partners to profit from a worldwide new AI algorithm. A WORLD PREMIERE.

HSH Prince Albert II during the MEWS world with MEWS Award Winners and Steven Saltzman

Kollie.ai's ability to grow customer engagement and sales, its abilities for conversational AI, human-like interactions and revolutionary new approaches to customer engagement is set to disrupt marketing, communication for businesses across various industries, and empowers organizations to enhance sales, and customer satisfaction. Kollie.ai uses different voices for different target groups, lean customer engagement scripts, based on innovative AI technology. Together with the MEWS World it aims to revolutionize partner engagement and sponsorship outreach, creating a dynamic and immersive experience for all participants.

As a MEWS client, don't be surprised if you already receive a call by our AI based voice agent this week, and during the MEWS World, you will hear more about the active results and the feedbacks.

"As we prepare for the MEWS, we are thrilled to partner with Kollie.ai to bring cutting-edge

innovation to our event," said Carolin Jauss, Co-Founder of the MEWS. "By leveraging Kollie.ai's innovative AI technology, we are enhancing attendee experiences and staying true to the core principles of MEWS - promoting innovation and embracing sustainable technology solutions.

„We from Kollie.ai are equally excited about the partnership and look forward to showcasing its AI-based voice agent during the event. We are delighted to collaborate with MEWS for this ground breaking event, “said Philipp Griesser from the Advisory Board of Kollie.ai. „The MEWS World represents the pinnacle of innovation in the Web3 domain, and the team from Kollie.ai is committed to contributing to its success through our cutting-edge technology. “

“

The MEWS is according to Sebastien Borget, CEO of Sandbox “The best web3 event”, positioned as exclusive Networking opportunity for C-Suite, company owners, UHNWI, Investors & entertainment leaders.”

*Sebastien Borget*

curates exceptional creative Showcases. The MEWS World is fully engaged in AI & Web3, we “walk the talk” of understanding Web3 & AI monetizing: The MEWS World is present in 10 Metaverse Worlds, creates a unique annual NFT collection, and bespoke AI Showcases in collaboration with our partners and Web3 providers. The MEWS creates an annual Augmented Reality Experience which included a Fashion Show in 2023, Paul Hollywood’s Brioche in 2022, and the “Ocean Ballet” in 2024.

About the MEWS

The MEWS World featuring Metaverse, Entertainment, AI & Web3 is an exclusive B2B boutique event that unites Global Brand Executives, Industry Leaders, Investors, Innovators, and Talent. It

Steven Saltzman, son of James Bond Producer Harry Saltzman, 2nd edition of the MEWS show

serves as a platform to explore the future of Web3 & AI technology and celebrate innovation, excellence, and collaboration in the industry. The event's highlight is the MEWS Awards Gala, known as the Oscars of Web3, where outstanding achievements in technology, talent, AI, entertainment, and more are honored. [The MEWS Event 2024 takes place from May 14th to 17th in Nice.](#)
