filing deadline of May 15, 2024, approaches, nonprofits, and tax-exempt organizations nationwide are diligently preparing to meet their reporting obligations. With a range of 990 forms available, it is vital for each organization to carefully select and submit the correct form to ensure compliance.

Smaller nonprofits can easily fulfill their annual filing requirements by using Form 990-N. For organizations that fall between small and large and do not qualify for the full Form 990, [filing Form 990-EZ](#) is necessary. Typically, this applies to nonprofits with gross receipts under \$200,000

and total assets under \$500,000.

Although Form 990-EZ requires some information and can be time-consuming to prepare, Tax990, the leading IRS-authorized e-filing solution, offers user-friendly software. This allows nonprofits to conveniently prepare and e-file their 990-EZ returns before the deadline.

Having established itself as a trusted e-filing solution for numerous nonprofits across the U.S., Tax990 offers user-friendly cloud-based software for completing 990-EZ filings with ease. Here are some of the key benefits nonprofit leaders can enjoy by choosing Tax990 for their 990-EZ filing.

- Intuitive User Interface: Tax990 offers a user-friendly interface, allowing clients to effortlessly manage all aspects of their 990 filings in one convenient location.

- Convenient Form Preparation: Clients can choose how they want to fill out their [990-EZ form](#) – either they can enter the data directly on the form (form-based) or use the interview-style

preparation to generate the form.

- Free Schedules: Tax990 automatically includes the Schedules required at no extra cost, based on the data they enter on their 990-EZ form.

- Copy Data: Clients who have previously filed their 990 returns with Tax990 can easily transfer that data to their current year's form, streamlining the filing process.

- Bulk Upload: Tax990 offers Excel templates to facilitate a seamless import of filing data for their clients.

- Internal Audit Check: The built-in error check system audits the completed 990-EZ returns based on the IRS Business Rules to make sure they are error-free.

- Instant Status Updates: After transmission, clients can receive instant updates regarding the IRS status of their 990-EZ forms via email or text notifications.

- Free Retransmission: In the event of IRS rejection, Tax990 enables clients to correct errors on their 990-EZ returns and resubmit them at no additional cost.
