availability of their THCa flower, just in time for 4/20 celebrations in the cannabis industry. With a commitment to innovation and quality, Boston Hemp Inc is excited to offer consumers across the country access to this groundbreaking exotic THCa flower.

THCa, or tetrahydrocannabinolic acid, is a non-intoxicating compound found in raw cannabis plants that has been gaining attention for its potential therapeutic benefits. Boston Hemp Inc's THCa flower is carefully cultivated to preserve the natural properties of the plant, providing consumers with a unique and beneficial experience.

"We are thrilled to launch our THCa flower nationwide in honor of 4/20," said Brandon Gadles, CEO of Boston Hemp Inc. "This product represents the culmination of our dedication to providing consumers with high-quality hemp-derived products that harness the power of cannabinoids in their purest form."

To celebrate the nationwide launch of their THCa flower, Boston Hemp Inc is offering special promotions and discounts throughout the month of April. Customers can now enjoy the benefits of THCa flower delivered directly to their doorstep, regardless of location.

In addition to the launch of their THCa flower, Boston Hemp Inc will be participating in 4/20 festivities with a range of events and promotions aimed at educating consumers and advocating for the widespread acceptance of hemp-derived products.
