PLAINSBORO, NEW JERSEY, UNITED STATES, April 20, 2024

/EINPresswire.com/ -- [Infopro Learning](#), a global leader in talent development and [managed learning services](#), is thrilled to announce its inclusion on the 2024 Leadership Training Watch List by Training Industry. This recognition underscores Infopro Learning's position as a trailblazer in delivering impactful learning solutions that empower leaders to excel in today's dynamic business landscape.

The Training Industry Leadership Training Companies Watch List recognizes trailblazers in training solutions within key corporate learning sectors. The 2024 selection process for the Leadership Training Watch List highlights a rigorous evaluation, considering criteria such as:

- Breadth and quality of program and service offerings.
- Industry visibility, innovation and impact in the leadership training market.
- Client and customer representation.
- Business performance and growth.

"We are equipping business leaders to navigate the AI/digital transformation converging with a rapidly evolving social, generational, economic and remote/hybrid work environment. In this disrupted landscape leaders need an evolved mindset and skillset for optimal impact, and we

help cut through the “noise” with proven expertise and practical insights.”- Dan Rust, VP, Global Leadership Development.

“The 2024 Leadership Training Watch List represents emerging and specialized leadership development companies that craft a unique experience for both their learners and their workplace,” said Tom Whelan, director of corporate research at Training Industry, Inc. “These companies elevate the learning journey by utilizing modalities and technologies such as coaching, instructor-led (virtual or in-person), simulations, assessment tools, microlearning modules and more.”

Infopro Learning excels in navigating the dynamic business landscape, as evident in its design and delivery of immersive leadership programs. We provide a comprehensive range of leadership training solutions, including executive coaching, leadership development workshops, succession planning, change management, and beyond. The company is dedicated to nurturing transformative leadership journeys by employing innovative methodologies like blended learning, gamification, and virtual reality. These initiatives cultivate an environment of continuous learning, fostering growth and strategic acumen among participants. With a steadfast focus on innovation, excellence, and client-centricity, Infopro Learning continues to set benchmarks for corporate learning and development success.
