

ECCO Medical Launches Full-Service Endovascular Clinic in Pueblo, CO

The Pueblo clinic will cater to patients all across southern Colorado, including Canon City, Trinidad, Alamosa, and Walsenburg.

PUEBLO, COLORADO, USA, April 23, 2024 /EINPresswire.com/ -- ECCO Medical, Colorado's premier endovascular treatment center, is proud to announce the opening of its latest outpatient clinic in Pueblo, Colorado. Conveniently located at 323 S. Purcell Blvd. #150, West Pueblo, CO 81007. This new facility marks a significant milestone in ECCO Medical's commitment to providing accessible, high-quality care to underserved communities.

Dr. Aaron Kovaleski, Board Certified and Fellowship-trained in Vascular and Interventional Radiology expressed his enthusiasm for the expansion, stating, "We're thrilled to open our doors and be the first full-service Vascular and Interventional Radiology outpatient clinic in Pueblo. We can't wait to be part of the community and help folks with their vascular needs right here in Pueblo and nearby areas"

[The Pueblo clinic](#) will cater to patients all across southern Colorado, including Canon City, Trinidad, Alamosa, and Walsenburg. ECCO Medical will provide complete diagnostic and treatment services for a broad range of vascular conditions, including Peripheral Artery Disease (PAD), non-healing wounds,
