MINNEAPOLIS , MINNESOTA , USA, April 23, 2024 /EINPresswire.com/ -- The Minnesota Mesothelioma Victims Center says, "If your loved one has just been diagnosed with mesothelioma and they are a current or former worker at Minnesota's Prairie Island or Monticello Nuclear Power Plants, or a coal fired power plant-please call attorney Erik Karst of Karst von Oiste at 866-714-6466. As Erik Karst will explain-compensation for a person like this might be in the millions of dollars-based on how the person was exposed to asbestos.

"Erik Karst is perhaps Minnesota's best known mesothelioma attorney and he and his remarkable team at Karst von Oiste have been assisting power plant workers with mesothelioma for decades. The reason this is important for a person with mesothelioma in Minnesota is if they do not hire one of the nation's top mesothelioma lawyers-compensation might become much more difficult--especially if the law firm does not know what they are doing.

"If your loved one in Minnesota is a current or former power plant worker with mesothelioma in Minnesota, please call attorney Erik Karst of Karst von Oiste at 866-714-6466. Hire an experienced mesothelioma attorney for the best compensation results."
