

Total Garage Concepts Continues Their Ascent to The Top of The Garage Cabinet Design & Installation Sector of SWFL

Total Garage Concepts is expanding their presence with the opening of a new office in Sarasota, FL.

NAPLES, FL, UNITED STATES, April 22, 2024 /EINPresswire.com/ -- Everyone has memories of [garage cabinets](#) of the olden days. When a little moisture made the surfaces delaminate. The cheap particleboard would disintegrate just from the weather changes. Too often drawer tracks would just break off the inside cabinet walls. Well, those days are over since Total Garage Concepts entered the scene.

Another Garage Makeover by Total Garage Concepts

It is the difference between night and day. A professionally designed, manufactured and installed garage cabinet system coupled with epoxy floor coatings not only adds value to a home, but makes it a pleasure to come home to. The team at Total Garage Concepts enjoys the smiles on their client's faces.

Total Garage Concepts, a top provider of custom garage storage cabinets and epoxy coated floors in SWFL, is further expanding their presence with the opening of a new office in [Sarasota, FL](#). With a total of 4 showrooms, they welcome visitors to experience their exceptional product quality firsthand.

Over the past 15 years, their commitment to superior offerings has resulted in significant sales growth and a larger market share in SWFL. Now, with the increased demand, Total Garage Concepts is thrilled to extend their operations to Sarasota, FL, enabling them to serve not only the local area but also Bradenton and Pinellas County.

Total Garage Concepts offers the exceptional Inspired Garage™ cabinet collection, renowned for its top-notch quality, durability, and customization options. The heavy-duty XD cabinets are specifically designed to endure heavy loads and the challenging climate conditions of SWFL. With a commitment to long-lasting products, Total Garage Concepts confidently backs them up with a

limited lifetime warranty.

When it comes to industrial strength epoxy garage floor coatings, Total Garage Concepts has got it covered. Their specially formulated coatings are resistant to hot tire pickup, peeling, chipping, stains, and spills. Engineered to withstand the unique climate and moisture challenges of the area, these epoxy coated floors will remain vibrant, sturdy, and appealing for many years to come.

During a recent interview, H.L. Burkley, president of Total Garage Concepts, made these comments, "We are a team of professional organizers and master craftsman. Taking pride in your work is how we conduct business which means our experience helps us to get it right the first time. We are so confident in our results and our workmanship that we offer every customer a 100% satisfaction guarantee."

Client Testimonials always tell the story. Take a look at what Ted, from Imperial Golf Estates, Naples, FL, had to say, "The men who came to my house today were great. They did a great job. Very nice, prompt and professional. They really knew what they were doing. They were in and out in just under an hour. Thanks again."

Robin Sass, from Bonita Springs, FL, made these comments, "Just wanted to thank you all for our relationship throughout this process. You all have been accommodating. We LOVE. LOVE the work."
