

Bitget PoolX Lists Apu Apustaja (APU) for Stake-to-Mine Rewards

VICTORIA, SEYCHELLES, April 23, 2024 /EINPresswire.com/ -- Bitget PoolX, the cutting-edge stake-to-mine platform by the world's leading crypto exchange and web3 company – Bitget, proudly announces the listing of [Apu Apustaja \(APU\)](#), a meme coin designed for all frens. PoolX enables users to stake specific coins and earn popular tokens, offering a seamless opportunity for crypto enthusiasts to participate in token mining. With each PoolX project, users can access one or more mining pools, where token rewards are distributed hourly based on participants' staking volume.

Mining Pool Details:

ETH Pool: 65,217,000 APU (50%)

USDT Pool: 65,217,000 APU (50%)

Maximum ETH Staking: 7 ETH

Maximum USDT Staking: 20,000 USDT

Token Allocation:

Rewards per user in the ETH and USDT pools are calculated based on the user's staked amount divided by the total staked amount of all eligible participants, multiplied by the corresponding prize pool.

Apu Background:

Apu, also known as Peepo or Helper, is a beloved character representing a younger, kinder, and more naive anthropomorphic frog. Originating from Finland, Apu quickly gained international fame and became a ubiquitous presence on platforms like Twitter, Reddit, and various forums. As Apu's popularity continues to soar, it's only fitting that he ventures into the financial realm.
