

AMS Pictures' First Foray Into Scripted Programming, **MANSON: SUMMER OF BLOOD**, Now Streaming

*AMS Pictures' first fully scripted feature, **MANSON: SUMMER OF BLOOD** is now available on Prime Video, WOCOO and Mosaic TV.*

DALLAS, TX, USA, April 23, 2024 /EINPresswire.com/ -- AMS Pictures' first fully scripted indie feature, **MANSON: SUMMER OF BLOOD** is now available to rent or buy on [Prime Video](#) or stream on [WOCOO](#) and [Mosaic TV](#), with additional platforms available soon.

In this uniquely shocking thriller, a dying Charles Manson is offered a chance to repent for his crimes, revealing horrific, never-before-dramatized details about the Sharon Tate murders—as well as a stunning twist ending. From the director of the sleeper hit **CHARIOT**, **MANSON: SUMMER OF BLOOD** is the final chapter of the most infamous crime of the 20th century.

"I've been terrified by this case since I was a child," says Director Brad Osborne. "So having the opportunity to approach it from a semi-fictional perspective—keeping the details of the crime entirely factual but imagining Manson's grappling with it as his life was coming to an end—was a way for me to explore some finality, and perhaps employ some cinematic justice."

Produced by Dallas-based AMS Pictures, **MANSON: SUMMER OF BLOOD** was directed and written by Osborne (**I AM ALIVE: SURVIVING THE ANDES PLANE CRASH**, **MURDER MADE ME FAMOUS**) and executive produced by Andy Streitfeld (**I WAS LORENA BOBBITT**, **BAD BEHIND BARS: JODI ARIAS**).
