

# Medical Imaging Market Projected to Reach USD billion by 2030, With 5.85% CAGR -by Exactitude Consultancy

Global Medical Imaging Market include  
-Canon Medical System Corporation,  
Carestream Health

LUTON, BEDFORDSHIRE, UNITED  
KINGDOM, April 23, 2024

/EINPresswire.com/ -- The "[Medical Imaging](#) Market report provides a holistic evaluation of the market for the forecast period (2024-2030). The report comprises of various segments as well an analysis of the trends and factors that are playing a substantial role in

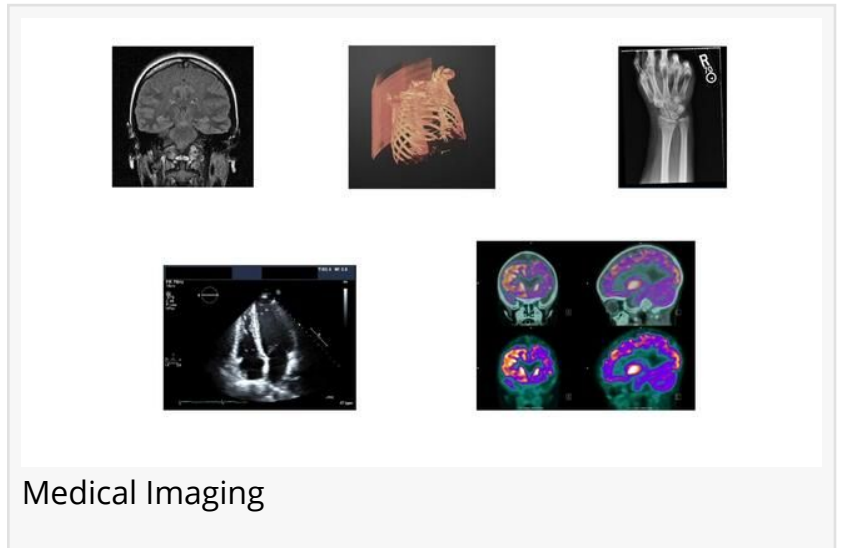

the market. The industry's size, revenues, market shares, major categories, drivers, and other market-related factors. The Medical Imaging market report also identifies regional industrial presence and market-limiting variables that could have an impact on growth trends after the projected period of 2030. These factors the market dynamics, involves the drivers, restraints,

“

Growing demand for advanced medical imaging technologies drives the \$XX billion market, enhancing diagnosis & treatment precision.”

TOP Prominent Manufactures of Medical Imaging Market:

Canon Medical System Corporation, Carestream Health, Esaote, Fujifilm, GE Healthcare, Hitachi Ltd, Hologic, Konica Minolta, Koninklijke Philips, Samsung Medison, and Siemens Healthineers Symbia Pro.specta system ,among others.

Recent development:

December 2022, Koninklijke Philips N.V. launched a new Ultrasound Compact System 5000 Series that delivers premium image quality needed to aid in a confident diagnosis in a portable unit.

June 2022 - The newly-launched Symbia Pro.specta system by Siemens Healthcare GmbH, a single photon emission computed tomography/computed tomography (SPECT/CT) received the Food and Drug Administration (FDA) clearance that has advanced SPECT and CT imaging technologies.

May 2021 – Siemens Healthcare GmbH launched Somatom X.ceed, a new and efficient version of the Somatom X.cite system that the company launched in 2019.

Key Market Segments: Medical Imaging Market

Medical Imaging Market by Product Type, 2022-2029, (USD Million)

Computed Tomography

Nuclear Imaging

Mammography

X-Ray Devices

Digital

Direct Radiography Systems

Computed Radiography Systems

Analog

Magnetic Resonance Imaging (MRI)

Ultrasound

2d Ultrasound

3d Ultrasound

Medical Imaging Market by Application, 2022-2029, (USD Million)

Obstetrics And Gynecology Health

Orthopedics And Musculoskeletal

Neuro And Spine

Cardiovascular And Thoracic

General Imaging

Breast Health

Others

Medical Imaging Market by End User, 2022-2029, (USD Million)

Hospitals

Diagnostic Centers

The cost analysis of the Medical Imaging market has been performed while keeping in view manufacturing expenses, labour cost, and raw materials and their market concentration rate, suppliers, and price trend. Other factors such as Supply chain, downstream buyers, and sourcing strategy have been assessed to provide a complete and in-depth view of the market. Buyers of the report will also be exposed to a study on market positioning with factors such as target client, brand strategy, and price strategy taken into consideration.

Geographically, the detailed analysis of consumption, revenue, Medical Imaging market share and growth rate, historical data and forecast (2024-2030):

North America (United States, Canada)

Europe (Germany, France, UK, Italy, Russia, Spain)

Asia Pacific (China, Japan, Korea, India, Australia, New Zealand)

Middle East & Africa (Middle East, Africa)

Latin America (Mexico, Brazil, C. America, Chile, Peru, Colombia)

Dominating Region:

Asia Pacific is expected to register the highest growth rate during the forecast period (2024-2032), owing to the rising prevalence of chronic diseases and demand for advanced diagnostic devices. Additionally, a large and aging installed base of imaging equipment in the Asia Pacific is presenting a lucrative opportunity for market players. This, along with a rapidly developing healthcare and hospital infrastructure in the region, especially in countries such as China and India, is anticipated to drive the demand for new medical imaging equipment during the forecast period.

Medical Imaging Market Key Indicators Analysed:

**Market Players & Competitor Analysis:** The report covers the key players of the industry including Company Profile, Product Specifications, Production Capacity/Sales, Revenue, Price and Gross Margin 2024-2030 & Sales with a thorough analysis of the markets competitive landscape and detailed information on vendors and comprehensive details of factors that will challenge the growth of major market vendors.

**Global and Regional Market Analysis:** The report includes Global & Regional market status and outlook 2024-2030. Further the report provides break down details about each region & countries covered in the report. Identifying its sales, sales volume & revenue forecast. With detailed analysis by types and applications.

**Market Trends:** Medical Imaging Market key trends which include Increased Competition and Continuous Innovations.

**Opportunities and Drivers:** Identifying the Growing Demands and New Technology

**Porters Five Force Analysis:** The report provides with the state of competition in industry depending on five basic forces: threat of new entrants, bargaining power of suppliers, bargaining power of buyers, threat of substitute products or services, and existing industry rivalry.

Estimates 2024-2030 Medical Imaging Report on, Status and Forecast, by Players, Types and Applications market development trends with the recent trends and SWOT analysis

Market dynamics scenario, along with growth opportunities of the market in the years to come

Market segmentation analysis including qualitative and quantitative research incorporating the impact of economic and policy aspects

Regional and country level analysis integrating the demand and supply forces that are influencing the growth of the market.

Competitive landscape involving the market share of major players, along with the new projects and strategies adopted by players in the past five years

Comprehensive company profiles covering the product offerings, key financial information, recent developments, SWOT analysis, and strategies employed by the major market players

In case of any queries or customization requirements please connect with our sales team, who will ensure that your requirements are met.

Exactitude Consultancy

Exactitude Consultancy: <https://exactitudeconsultancy.com/primary-research/>

Yes. Customized requirements of multi-dimensional, deep-level, and high-quality can help our customers precisely grasp market opportunities, effortlessly confront market challenges,

properly formulate market strategies and act promptly, thus winning them sufficient time and space for market competition.

- 20% customization.
- 5 Countries can be added as per your choice.
- 5 Companies can add as per your choice.
- Free customization for up to 40 hours.
- After-sales support for 1 year from the date of delivery.

Exactitude Consultancy is a Market research & consulting services firm which helps its client to address their most pressing strategic and business challenges. Our professional team works hard to fetch the most authentic research reports backed with impeccable data figures which guarantee outstanding results every time for you. So, whether it is the latest report from the researchers or a custom requirement, our team is here to help you in the best possible way.
