

# McCann's Roofing and Construction Achieves Master Elite Contractor Status with GAF

*McCann's Roofing and Construction is proud to announce its recent designation as a Master Elite Contractor by GAF, North America's largest roofing manufacturer.*

OKLAHOMA CITY , OKLAHOMA, UNITED STATES, April 23, 2024 /EINPresswire.com/ -- Achieving Excellence in Roofing

The Master Elite Contractor status is awarded by GAF to less than 2% of roofing contractors in North America. To qualify, contractors must meet stringent requirements, including proper licensing, adequate insurance, a proven reputation, and a commitment to ongoing professional training. This ensures that homeowners and businesses receive the best in roofing installation, materials, and warranty options.

## What This Means for McCann's Roofing and Construction

As a Master Elite Contractor, McCann's Roofing and Construction gains access to GAF's cutting-edge products and comprehensive educational resources, enabling the company to offer enhanced services to its clients. This includes access to GAF's exclusive Weather Stopper Integrated Roofing System<sup>®</sup>, which provides superior protection against the elements, and eligibility to offer the GAF Golden Pledge<sup>®</sup> Warranty, the most substantial warranty protection in the roofing industry.

“

We are thrilled to achieve the Master Elite Contractor status with GAF.”
