

Seismic LLC Joins CCA to Accelerate Innovation in Cloud Services

CHARLOTTE, NC, USA, April 24, 2024

[/EINPresswire.com/](https://www.einpresswire.com/) -- Seismic LLC

(www.seismic360.com), a strategic

outsourcing partner for MSPs, has

joined the Cloud Communications

Alliance (CCA). Recognizing the CCA's

role in driving innovation and shaping

the future of the cloud services landscape, Seismic is committed to contributing its unique perspective and solutions to propel industry advancements.

“Seismic’s alliance with the CCA is more than just a membership; it’s a partnership that promises

“

Seismic’s alliance with the CCA is a partnership that promises to drive innovation and excellence in the cloud communications landscape.”

Richard Cabelo, Chief Sales Officer, Seismic LLC

to drive innovation and excellence in the cloud communications landscape,” said Richard Cabelo, Chief Sales Officer, Seismic LLC. “We are excited to work alongside other industry leaders to shape the future of cloud communications.”

Seismic collaborates with MSPs, VARS, integrators, OEMs, and cloud communications providers worldwide.

Leveraging Seismic’s expertise in fully managed NOC/SOC, Professional Services, Digital Transformation, and IT staff augmentation, partners can expand service capabilities,

elevate their offerings, and boost revenues.

To explore partnership opportunities, please reach out to sales@seismic360.com.

About the CCA

The Cloud Communications Alliance is a worldwide peer association dedicated to the growth of the communications industry. The CCA moves the industry forward by providing a forum for leaders in the cloud communications space to discuss key topics and advance their mutual or individual goals. For more information on the Cloud Communications Alliance, please contact info@cloudcommunications.com.
