BURLINGTON, VERMONT, UNITED STATES, April 30, 2024

[/EINPresswire.com/](#) -- [Collecting Insight Podcast](#), debuting its first episode on Leap Day 2024, is proud to announce it has already surpassed 1,000 downloads, marking the enthusiastic response from listeners around the globe. Co-Hosts Sara Byers (CEO turned soul explorer) and Lori Tarrant (mother/educator turned podcaster) use their combined century of life experience to engage in thought-provoking conversations about the essence of being human.

Since its launch, Collecting Insight has garnered a five-star rating on [Apple](#) and [Spotify](#) Podcasts thanks to its engaging content, compelling storytelling and insightful discussions. Resonating with audiences in eighteen countries and over 250 cities, the podcast offers a unique blend of topics that inspire, entertain and educate, such as “Authenticity”, “Body Image and Ageism” and “Signs from the Universe.”

“We are truly humbled by the response,” says Sara Byers. “To share these intimate conversations is certainly meaningful to us. To know they are resonating with others is incredibly gratifying.”

One Apple reviewer writes, “What a great addition to my personal daily podcasts listening menu. So timely for my generation and so well done. Thanks. Can’t wait for the next episode.”

The success of Collecting Insight is a testament to Lori and Sara’s commitment to discussing

relevant topics with honesty and vulnerability. From the everyday to the profound, they strive to deliver content that enriches lives and fosters meaningful connection, urging listeners to delve deep into the complexities of our place in this world.

“We have so much to share,” remarks Lori Tarrant. “Before we launched, we had forty topics to explore and they keep multiplying. Whether you’ve been with us since the beginning or are just discovering us, we invite you to join us on this exciting journey.”
