

US Navy Veterans Mesothelioma Advocate Urges the Family of a Navy Veteran with Just Diagnosed Mesothelioma Anywhere in the USA to Call Them for Compensation Advice and Suggestions About Specific Attorneys to Talk To

WASHINGTON , DC, USA, April 24, 2024 /EINPresswire.com/ -- The US Navy Veterans Mesothelioma Advocate says, "We are advocates for US Navy Veterans who have developed mesothelioma, and we want people like this to receive the best possible financial compensation results. Nearly three quarters of the ads on the internet for Navy Veterans who now have mesothelioma are sponsored by middleman marketing law firms-not actual law firms that will do the compensation work for your husband or dad-who has developed this rare cancer.

"Rather than playing lawyer roulette on the internet-if your husband or dad has just been diagnosed with mesothelioma anywhere in the USA, please call us at 866-714-6466--for some really good and honest suggestions about specific lawyers you should talk to.

"Navy Veterans still make up the largest work group of people who will develop mesothelioma because they had so much asbestos exposure on a navy ship, submarine or at a shipyard. Navy Veterans who will develop mesothelioma probably maintained a ship's-submarine's equipment, they were part of a repair crew-or they were a non-commissioned officer-officer that supervised maintenance or repairs. We have been assisting Navy Veterans with mesothelioma for nearly 20

years.

"If your husband is a Navy Veteran with just diagnosed mesothelioma anywhere in the USA-before you hire a law firm-please call us at 866-714-6466-to ensure you really do get to the nation's top mesothelioma attorneys."
