

# Center for Family Services of Palm Beach County to Hold Open House Plus Launch New Therapeutic Playroom

NEW YORK, NY, UNITED STATES OF AMERICA, April 24, 2024 /

EINPresswire.com/ -- The Center for Family Services Palm Beach County is due to hold an open house in which their new therapeutic playroom will be unveiled on Thursday, April 25th, 2024 from 4:00pm – 6:00pm.

The refurbished playroom is specially designed for use by children who have been subjected to abuse. Students in the Interior Design program at Palm Beach State College produced the playroom concept under the guidance of Professor Nancy Albert. The design features enhancements from the flooring and walls to furniture and lighting, including a one-way observation window. Funding for this project was provided from kind donors raising the paddle at the 24th Annual Old Bags Luncheon in the spring of 2023.

Commenting on the Open House and launch of the refurbished therapeutic playroom, Todd L'Herrou, Chief Executive Officer of the Center for Family Services said, "Our goal was to have a comfortable space for our youngest clients." He noted that as Palm Beach County's designated Sexual Abuse Treatment Program, the Center works a lot with children impacted by physical or sexual abuse. "Through the generosity of our supporters, we have
