“

I love for my kids to enjoy nature. Our entire family enjoyed this trip. It was perfectly planned. Exceptional guides, and gorgeous Yellowstone National Park as the backdrop for our wonderful tour.”

*Emily Singh*

According to Emily Singh from San Diego, a recent guest on a Yellowstone Family Vacation, the best thing is that everything is taken care of. “I love the idea that there is an itinerary totally organized for us. Just tell me where we need to be, I don't have to think – someone has already done that for me,” says Emily.

“I love for my kids to enjoy nature, and see all the animals. Our entire family enjoyed this trip. It was perfectly planned. The highlights were the exceptional guides, with the gorgeous Yellowstone National Park as the backdrop for our wonderful tour,” says Emily.

Austin Adventures' 'Made for Families' adventures were created for families to explore the best of the U.S. national parks, or go further afield on international adventures in Costa Rica, New Zealand and Europe. Activities on their family adventure vacations include hiking, biking, horseback riding, kayaking, river rafting, zip lining and more - all designed to explore the best each destination has to offer, get off the beaten track and out into nature together.

"Rather than trying to 'DIY' (do it yourself), going guided with us takes the stress out of organizing a family vacation," says EJ Gamboa, Chief Growth Officer, Austin Adventures. "All accommodations, transport on-trip, most meals, and all activities are included," Gamboa adds.

The '50% off kids' offer ends April 30, 2024. To book and find out more about their 'Made for Families' adventures visit [austinadventures.com](https://austinadventures.com)
