About the Author:

H.H. Dr. Prince Mario-Max Schaumburg-Lippe is a German Prince and the son of H.H. Prince Waldemar Prinz zu Schaumburg-Lippe and his wife Dr. Antonia Prinzessin zu Schaumburg-Lippe. Prince Mario-Max family founded the cities of Hamburg, Luebeck and Kiel in Germany and his ancestry founded their own Royal Danish-Nachod line of Schaumburg-Lippe in 1840 when they split from the German line. Being a German Prince gives Prince Mario-Max the legal and protected title of Prinz zu Schaumburg-Lippe.

His Highness Dr. Mag. PRINCE MARIO-MAX SCHAUMBURG-LIPPE of Germany, MAS, LL.M is an Award winning Actor, TV-Host, Bertelsmann Randomhouse Author, Public Speaker and Cover-Model The Prince and his parents are descendends from the Royal DK Nachod Line of The Princely House of Schaumburg-Lippe, Founding Family of Hamburg, Lübeck and Kiel in Germany.

Information about "Prince" Alexander Schaumburg-Lippe:

A house of Schaumburg-Lippe ruling a sovereign principality of the same name ended with the German Empire abolished in 1919. Therefore each individual Prince and Princess does have their sovereign and protected German name rights. Prince Mario-Max is a modern working Royal and he and his family (Prince Waldemar and Princess Antonia) distance themselves from Alexander Schaumburg-Lippe, who pretends to be a nephew of Prince Waldemar or "the" head of their house, which is both false. Alexander has neither any authority or position, and is also not any royal or legit commentator for Prince Mario-Max, despite riding Prince Mario-Max coattail for his publicity attempts. Hateful commentary by Alexander has to be categorized as troll or bully nonsense, Robert. W. Cabell (a former New York Post writer and Aaron Spelling producer) states.
