

OM Botanical Launches Antioxidant Night-Time Face Oil: A Luxurious Blend of Nature's Best

Combining highly absorbent antioxidant oils like Marula and argan oil forms the base for this nighttime elixir.

RALEIGH, NORTH CAROLINA, UNITED STATES, April 24, 2024

/EINPresswire.com/ -- OM Botanical, a leading brand of [natural skincare](#), proudly introduces its latest innovation: the Antioxidant Night-Time [Face Oil](#). Crafted with a meticulous selection of premium antioxidant oils, this luxurious facial elixir promises to rejuvenate and nourish the skin, providing a radiant glow from within.

In today's fast-paced world, where environmental stressors and pollutants are rampant, skincare routines need to adapt and provide effective protection and rejuvenation. Understanding this need, OM Botanical has formulated a potent blend of antioxidant-rich oils to combat the signs of aging and promote overall skin health.

"At OM Botanical, we believe in harnessing the power of nature to provide effective skincare solutions," says Sudhir Shah, Founder and CEO of OM Botanical. "Our Antioxidant Night-Time Face Oil is a culmination of years of research and expertise in botanicals. We are excited to introduce this luxurious elixir to our customers, offering them a natural and effective way to nourish their skin."

The Antioxidant Night-Time Face Oil features a synergistic blend of the finest antioxidant oils, carefully selected for their nourishing and rejuvenating properties. Among the key ingredients are Marula oil and Argan oil, known for their high absorbency and ability to deeply moisturize the skin. These oils form the base of the formula, ensuring maximum hydration and repair

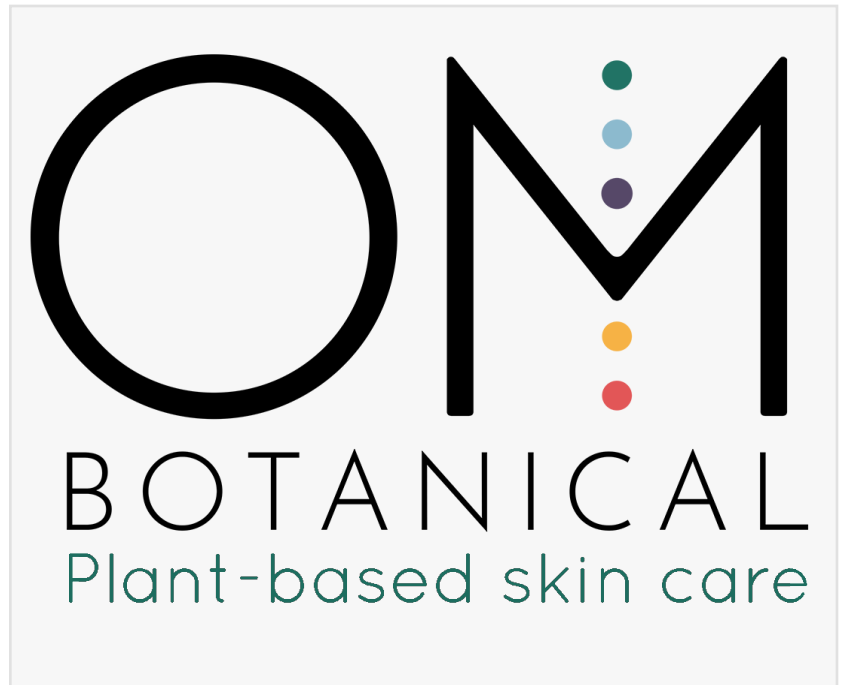

during the night.

Marula oil, derived from the kernels of the Marula fruit, is rich in antioxidants, vitamins, and essential fatty acids. It helps to protect the skin from free radical damage, reduce the appearance of fine lines and wrinkles, and promote a youthful complexion.

Argan oil, often referred to as "liquid gold," is extracted from the kernels of the Argan tree native to Morocco. It is prized for its moisturizing properties and high concentration of vitamin E, which helps to nourish and soften the skin.

Additionally, Argan oil contains squalene, a natural compound that mimics the skin's sebum, making it suitable for all skin types, including oily and acne-prone skin.

To further enhance the effectiveness of the formula, OM Botanical has incorporated

“

With our Antioxidant Night-Time Face Oil, customers can indulge in a luxurious skincare ritual that not only nourishes their skin but also uplifts their senses”

Sudhir Shah

Pomegranate oil and Avocado seed oil. Pomegranate oil is renowned for its potent antioxidant properties, which help to protect the skin from oxidative stress and promote collagen production. Avocado seed oil, rich in vitamins A, D, and E, deeply hydrates and nourishes the skin, leaving it smooth and supple.

"Our goal with the Antioxidant Night-Time Face Oil was to create a luxurious yet effective skincare solution that addresses multiple skin concerns," explains Mr. Shah. "By

combining the power of Marula, Argan, Pomegranate, and Avocado oils, we have formulated a product that not only nourishes the skin but also provides long-lasting antioxidant protection."

Suitable for all skin types, the Antioxidant Night-Time Face Oil is designed to be incorporated into nightly skincare routines. Its lightweight and non-greasy formula absorb quickly into the skin, delivering essential nutrients and antioxidants while you sleep. Additionally, it can also be used during the day for added hydration and protection against environmental stressors.

"We believe that skincare should be a holistic experience, providing both physical and emotional benefits," says Mr. Shah. "With our Antioxidant Night-Time Face Oil, customers can indulge in a luxurious skincare ritual that not only nourishes their skin but also uplifts their senses, leaving them feeling refreshed and rejuvenated."

Experience the luxury and efficacy of natural skincare with OM Botanical's Antioxidant Night-Time Face Oil. Unlock the power of antioxidants and reveal radiant, youthful-looking skin with every drop.
