

Jones Technical Institute Diesel Technology Program Achieves AED Foundation Accreditation

SCHAUMBURG, IL, UNITED STATES, April 24, 2024 /EINPresswire.com/ -- The [AED Foundation](#) (AEDF) is pleased to announce the accreditation of the Diesel Technology Program at Jones Technical Institute (J-Tech). This program is one of AEDF's flagship colleges and serves a wide region throughout the Southeast.

J-Tech Diesel Technology Program is the first program to be accredited by The [AED](#) Foundation. The term of AEDF accreditation is five years, starting this month and going through April of 2029. The AED Foundation is dedicated to developing and improving heavy equipment industry

“

AEDF accreditation will expand opportunities for students and graduates in a commitment to delivering curriculum aligned with industry standards and fostering robust partnerships with industry leaders”

Lori Stowers, Director of Compliance, Jones Technical Institute

partnerships that meet the mutual needs of local dealers, manufacturers, and technical colleges. The AED Foundation is proud to be affiliated with J-Tech through this accreditation and is committed to the program's ongoing success.

Lori Stowers, Director of Compliance states, “AEDF accreditation will expand opportunities for students and graduates through a commitment to delivering curriculum aligned with industry standards and fostering robust partnerships with industry leaders.”

####

About AED

Established in 1919, Associated Equipment Distributors (AED) is an international trade association based in Schaumburg, IL, representing over 700 equipment distributors, manufacturers, and industry-service firms nationwide. AED members sell, service and rent equipment to such markets as heavy and light construction, mining, agriculture, forestry,

aggregates, engines and industrial.

About AEDF

Established in 1991 and directed by AED members, The AED Foundation (AEDF) addresses professional education and workforce development in the industry. This includes AEDF Accreditation of diesel-equipment technology college programs and AEDF Recognition of secondary diesel programs.
