Nico Pancine from Maple Ridge discovered by CastingCall, wins big at The Industry Network, LA, signs with Vancouver Agent and lands a Netflix role! #RisingStar

MAPLE RIDGE, VANCOUVER, CANADA, April 24, 2024 /EINPresswire.com/ -- Maple Ridge native, Nicolas "Nico" Pancine, has landed his dream opportunity by signing with the reputable CastingCall and showcasing his talents at [The Industry Network](#) event in Los Angeles this past January. Nico, who honed his acting skills under the tutelage of Barone, credits his success to her invaluable guidance and the unwavering support of his mother, Daniela, who has been his steadfast companion throughout his journey. His hard work paid off spectacularly at The Industry Network, where he garnered 10 callbacks from major Hollywood agents and managers and received 7 awards recognizing his outstanding acting abilities.

After careful deliberation and offers from numerous agencies, Nico and his family chose to sign with the Vancouver-based agency, Eleven, attracted by their genuine approach and the personal connection they felt with the team. The decision to go with Eleven was easy; they were kind, Nico's mom really liked them, and they were as excited as the Pancines were about jumping into projects in the Vancouver area.

But why is an [agent](#) important? In Nico's words, "Think of an actor as a superhero, and their agent as the superhero sidekick who finds them exciting missions (roles), negotiates their rewards (salary), and ensures they're ready for action." Securing an agent was Nico's first
