of a Silver Stevie® Award in the Company of the Year category for Energy – Large in The 22nd Annual American Business Awards®.

The American Business Awards are the U.S.A.'s premier business awards program. All organizations operating in the U.S.A. are eligible to submit nominations – public and private, for-profit and non-profit, large and small.

Nicknamed the Stevies for the Greek word meaning "crowned," the awards will be presented to winners at a gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 11.

More than 3,700 nominations from organizations of all sizes and across multiple industries were submitted this year for consideration in a wide range of categories, including Startup of the Year, Executive of the Year, Best New Product or Service of the Year, Marketing Campaign of the Year, Thought Leader of the Year, and App of the Year, among others.

"This achievement is a result of the dedication and hard work of our teams, as well as the trust and support of our valued customers. It is an honor to be recognized as a leader in the energy industry, and we are committed to driving innovation, sustainability, and positive change while fulfilling [our mission](#)," said President of Blue Raven Solar, Reed Farnsworth.

More than 300 professionals worldwide participated in the judging process to select this year's Stevie Award winners.

"While growth in much of the world economy has recovered slowly from the COVID-19 pandemic,

the American economy continues to show remarkable resilience and growth,” said Stevie Awards president Maggie Miller. “Our 2024 Stevie winners have contributed to that successful recovery through their innovation, persistence, and hard work. We congratulate all our winners in the 2024 ABAs and look forward to celebrating their achievements during our June 11 awards banquet in New York.”
