About the Southampton Animal Shelter Foundation (SASF):

The Southampton Animal Shelter Foundation (SASF) is a 501(c)3 non-profit organization that relies on the generosity of our donors and volunteers to care for the homeless animals in our community and place them in loving "forever homes." The number of animals in need of our help is growing every day. The overpopulation of pets on Long Island is a major issue and sadly more amazing animals are ending up homeless. Whether caring for strays found wandering the streets, rescuing neglected and abandoned animals, or saving dogs from the horrors of the puppy mill industry, the shelter is a safe haven for all animals and for some, the last resort. Without SASF, these animals would not be able to survive. The shelter provides a steppingstone for animals to find loving homes. It offers them housing, food, medical treatment, training, and rehabilitation when necessary.
