

Executor Brings Industry First Instant Estate Sale Estimate Algorithm to Market

Executor industry-leading new Instant Estate Sale Estimate algorithm brings machine learning to the growing estate sale industry for the first time.

WORCESTER, MASSACHUSETTS, USA, April 25, 2024 /EINPresswire.com/ -- Executor Revolutionizes [Estate Sales](#) with First-Ever Online Estimator Tool

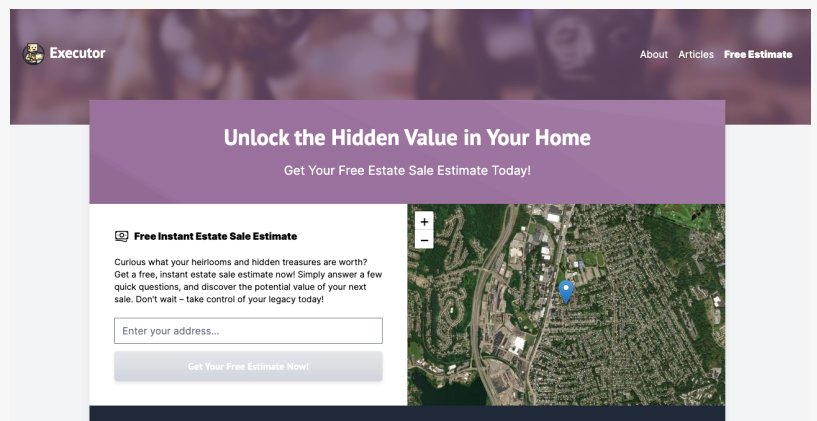

Executor, a leading estate sale technology startup, today announced the launch of the first-of-its-kind online estate sale estimator tool. This innovative solution empowers individuals to easily obtain a preliminary valuation of their estate's potential sale proceeds, free of charge.

"We understand that navigating the estate settlement process can be overwhelming," said Blue Barber, Co-Founder of Executor. "Our new online estimator tool simplifies this initial step by providing a quick and convenient way to estimate the value of an estate's contents, based on market data. This empowers families to make informed decisions as they move forward with the sale."

Executor's user-friendly online tool guides users through a series of simple questions about the estate. Based on this information, the tool generates a preliminary estimate of the total sale proceeds. This estimate serves as a valuable starting point for families as they consider their estate settlement options.
