

IAMTech's Managing Director, Ross Coulman, Shortlisted in 'Business Leader of the Year' Category at Tees Tech Awards

Ross Coulman of IAMTech is nominated for Business Leader of the Year at the Tees Tech Awards on June 6, 2024. More at www.iamtech.com.

YARM, CLEVELAND, UNITED KINGDOM, April 25, 2024 /EINPresswire.com/ -- Recent NEPIC 'SME Business of the Year Award' winner IAMTech, a pioneer in industrial software solutions, is proud to announce that its Managing Director, Ross Coulman, has been shortlisted for the prestigious Business Leader of the Year award at the upcoming Tees Tech Awards. The event is scheduled to take place on June 6, 2024, at The Pavilion, Kirkleatham Walled Garden.

Ross has led Teesside UK based IAMTech's growth on the worlds technology stage through continuous innovation, and this nomination is recognition of his visionary leadership

and commitment to excellence in the tech industry. With over twenty-five years of experience applying technology to industry, Ross has been instrumental in transforming IAMTech from a local Tees business, into a global leader in asset management technology, catering to critical sectors such as oil and gas, chemicals, mining, and power generation.

Under Ross's leadership, IAMTech has introduced ground-breaking solutions like its STO Software (iPlanSTO), and its JSA, Permit & Isolation Software (IAMPermit), as well as helping clients develop bespoke software when a product could not be found, significantly enhancing the safety standards & operational efficiencies, across many industrial sectors.
