

# Freestyle Software Announces Launch of Freestyle Payments

*Freestyle Software and Constellation Payments are offering eCommerce companies competitive rates, simple setup, in-house support and effortless integration.*

CHICAGO, IL, USA, April 25, 2024 /EINPresswire.com/ -- [Freestyle Software](#), a proud member of the FOG Software Group family, announced today that it has launched [Freestyle Payments](#). Freestyle Payments has developed a new payment processing option for customers who use M.O.M. and SiteLINK, the leading multichannel order management and inventory management platform for eCommerce merchants. Freestyle Payments was developed in collaboration with Constellation Payments and supported by the global reach of WorldPay.

Save time and money with better credit card processing from Freestyle Software.

Freestyle Payments is fully integrated with M.O.M. It allows merchants to take advantage of competitive rates due to the extensive processing volume of Constellation Payments.

“

Our customers have struggled to find payment processing solutions with low rates, best-in-class support, detailed reporting and simple setup, and now they have an outstanding option.”

*Jim Cahill, President, Freestyle Solutions*

“Freestyle Software and Constellation Payments are excited to announce the launch of Freestyle Payments,” said Jim Cahill,” President of Freestyle Software. “Our customers have struggled to find payment processing solutions with low rates, best-in-class support, detailed reporting and simple setup, and now they have an outstanding option.”
