

Entrex Carbon Market Launches First Real Estate Backed Carbon Offset Dividend Security

Entrex Carbon Market, Inc (OTC: RGLG) today announced the launch of the first Real Estate backed CO>SSET or Carbon Offset Dividend Asset.

BOCA RATON, FL, USA, April 25, 2024 /EINPresswire.com/ -- [Entrex Carbon Market](#), Inc (OTC: RGLG) today announced the launch of the first Real Estate backed CO>SSET or Carbon Offset Dividend Asset.

“Our patent pending CO>SSET provides owners of this tradable security annual carbon offset dividend income which allows owners to receive, retire or trade the offsets for their carbon neutrality needs” said Stephen H Watkins, CEO of [Entrex](#). “Most unique is how institutions can own the CO>SSET, receive the annual dividend

offsets and then expense them: this neutralizes their carbon footprint but most of all neutralizes their carbon offset expense removing this expense line item from their income statement.”

“Potential buyers have shown us how the CO>SETT could help reduce shareholders losses by neutralizing their annual carbon offset expenses” said Tom Harblin Partner. “With a 20x P/E ratio – and assuming a \$10 billion annual expense to buyers of carbon offsets – the CO>SETT could recover up to \$200 billion in shareholder losses.”

“In the end Entrex’s CO>SSET provides carbon neutrality focused companies the ability of buying an asset for their trading account – receive the carbon offset dividend income, expense their needs --- and even trade the CO>SSET with the potential capital appreciation. CO>SSETs offer a win for the environment, a win for the company – and most of all a win for shareholders” Harblin

continued.
