The American Business Awards are the US's premier business awards program, honoring organizations of all sizes and in virtually every industry in a wide range of categories.

In 2023, PayProp proudly received the Bronze Stevie® Award in the Payments Solution category. This year, its free monthly newsletter, PayProp Insights, clinched the title of Best Newsletter.

PayProp Insights is aimed at providing thought leadership and business-enhancing advice to residential property

managers based on the experiences of in-house industry experts, as well as keeping readers informed of key industry news, trends, and legislation changes.

PayProp's newsletter (and other free educational content) is tailored to address the unique issues faced by its clients, both small and large, and the wider property management industry. "By addressing specific challenges faced by property managers, the newsletter ensures relevance and value for its audience," wrote one judge.

Another judge called PayProp Insights an "informative and focused newsletter for the industry that is compact but contains diverse topics and perspectives for the property management

industry.”

More than 300 professionals worldwide participated in the judging process to select this year’s Stevie Award winners.

“We’re thrilled that the honor [previously bestowed](#) upon the PayProp platform by the American Business Awards now extends to our thought leadership,” said [Samantha Ferreira](#), Head of Client Services at PayProp North America. “We thank the judges for their time and effort in recognizing PayProp’s commitment to delivering exceptional content to the property management industry, and offer our congratulations to the Gold and Silver category winners.”

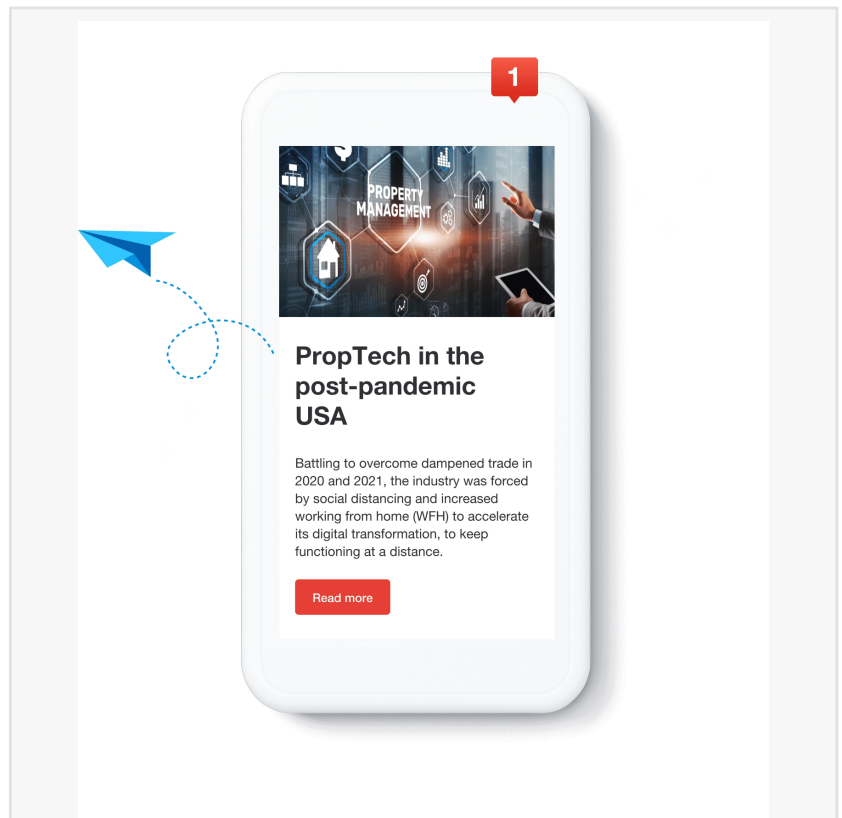

“While growth in much of the world economy has recovered slowly from the COVID-19 pandemic, the American economy continues to show remarkable resilience and growth,” said Stevie Awards president Maggie Miller. “Our 2024 Stevie winners have contributed to that successful recovery through their innovation, persistence, and hard work.”

Tickets are now on sale for a celebratory gala ceremony at the Marriott Marquis Hotel in New York on Tuesday, June 11.
