More about the Swing Tones: Aaron Jacobs, host of the Swing Scene on 90.7FM's KPDK, founded The Swing Tones 5 years ago. Having spent 2 decades producing vintage sounds, Aaron took a turn modernizing these classic sounds while adding nostalgia to current pop songs in reverse. The Swing Tones are known for their dynamic stage presence and pitch-perfect 7-singer harmonies, they give homage to the tight vocal harmonic sounds of the 1930s and 40s, reimagined into modern times with many

swingafied twists. “If the Andrews Sisters married The Manhattan Transfer,” said Aaron, “and birthed Postmodern Jukebox with a touch of Pentatonix, you would have The Swing Tones.”
