

HealthyU Clinics Expands Healthcare Workforce, Readies for More Growth

Leading Healthcare Provider Expands Team and Services to Ensure Optimal Patient Care

PHOENIX, ARIZONA, US, April 25, 2024 /EINPresswire.com/ -- - [HealthyU Clinics](#), a leading provider of integrated primary and specialty care services has announced it has reached 100+ employees across its clinics in Metro Phoenix, a milestone marking the company's consistent growth since its inception in 2021. HealthyU Clinics is focused on elevating the standard of care for diverse communities through personalized healthcare solutions for Arizona residents.

HealthyU Clinics expands workforce to better serve communities in Arizona

The startup healthcare organization has 109 employees in Arizona at ten Valley clinics offering next-day appointments, 40-minute doctor-patient consultations, access to integrated behavioral health and specialty care services. They also offer chronic care management resources, remote patient monitoring, wellness and weight loss treatments and on-site laboratory testing.

“We are excited to share HealthyU’s growth story because we are committed to delivering value-based care to the communities we serve and believe in improving patient as well as team member experience,” said Varesh Chaurasia, Chief Executive Officer of HealthyU Clinics.

Through its expansion and retention of new providers and support staff, including doctors, physician assistants, medical assistants and administrative staff, HealthyU is committed to providing a strong culture built on their core values of integrity, accountability, collaboration and empathy. This approach empowers staff with compassion and skills to provide excellent personalized care.

“As the healthcare landscape for the aging population in Arizona evolves, HealthyU Clinics is working to provide integrated care plans to our patients with a goal of keeping them healthy, happy and at home,” said Dr. Shane Speirs, Chief Medical Officer of HealthyU Clinics.
