

BREAKING NEWS: The Diversity Visa Program winners will be announced on May 4th, 2024

The US GREEN CARD OFFICE proudly announces the release of the DV-2025 program results, inspiring people worldwide to realize their American Dream.

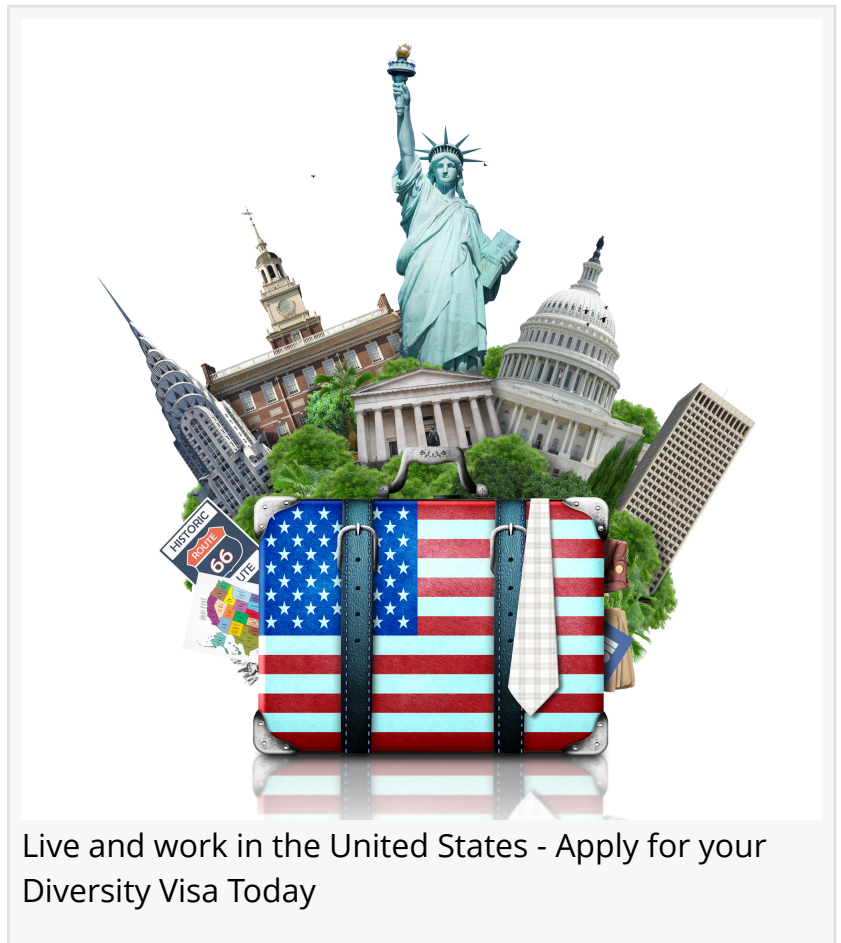

DOVER, DELAWARE, UNITED STATES, April 30, 2024 /EINPresswire.com/ -- Participants of the Diversity Visa Program in the United States are urged to check their selection status immediately after the announcement on May 4th, 2024. If selected, promptly submit the DS-260 form online to secure an invitation for the Visa interview at the American Embassy. This crucial step cannot be delayed, as it is essential for progressing within the Diversity Visa Program in 2024.

For those who have utilized US GREEN CARD OFFICE's (USGCO) paid submission service, rest easy; an email notification and a personal call from one of the immigration experts from USGCO will inform all applicants about their selection and guide them through the next steps of filing the DS-260 error-free.

However, applicants who opted for the free service must proactively check their status using the [free Green Card Program Winner Checking System](#) or through the official US government website, dvprogram.state.gov. Due to anticipated high traffic, alternatives such as the free winner checking system from the US Green Card Office are recommended, as the government site may experience delays or may not respond from time to time.
