

First Internationally Accredited Leadership Management Course Launched in Mauritius

C.I.T. now offers the first globally recognized leadership management course with a government refund scheme. It promises top leadership training.

CALEBASSES, PAMPLEMOUSSES,
MAURITIUS, April 26, 2024

[/EINPresswire.com/](https://EINPresswire.com/) -- A new Leadership Management course has been announced in Mauritius, which is internationally accredited and the first of its kind in the region. Developed in

accordance with ICM standards and approved by the MQA, this course adheres to globalized quality standards. [CIT](#) has taken a pioneering initiative to develop and launch this course that aims to benefit individuals and organizations across the country. With its focus on international

best practices, the course is expected to attract a diverse range of participants from different sectors and backgrounds

“

The fundamental purpose of CIT is learning, not teaching. Here, you learn how to learn.”

Mrs. Deepika Panchoo

Participants will have access to a comprehensive curriculum that combines experimental and industrial approaches. The curriculum is taught by industry experts and includes theoretical knowledge and practical exercises

based on real-world business challenges. This course is ideal for managers, team leaders, and professionals aspiring for leadership roles.

The course covers all leadership and management topics such as communication, critical thinking, decision-making, change management, and strategic planning. Participants will acquire practical skills through case studies, group discussions, and simulations. Upon successful completion, participants will receive an internationally recognized certification.

CIT has a financial aid mechanism in place to assist eligible participants. The course is eligible for government support schemes like HRDC refunds of up to 75% and UN Education support.

The Leadership Management course is now available for enrollment, with classes commencing 4th May 2024. The course features a nominal fee structure with promotions available for early registrants.
