Devastation Leads to Determination

Securing a safe journey for our family is our priority. Your support brings us closer to safety in Egypt"

Mohammed Tariq Al-Kafarna

The Al-Kafarna family's home and livelihood in Gaza were destroyed in recent airstrikes, attributed to the ongoing Israeli-Palestinian conflict. This has compelled them to seek shelter and safety in Egypt, a country with a history of providing refuge to those displaced by conflict.

The cost of safe passage from Gaza, exacerbated by the conflict, has reached prohibitive heights. The Al-Kafarna family is facing the challenge of securing the necessary funds to embark on their journey to Egypt, seeking stability away from the turmoil in Israel and Palestine.
