Additional EP Info:

This EP Is a collision of worlds intertwined yet individually diverse in a colorful array of melodies and lyrics that are deep and personal as well as relatable for the listener. With stories of love and loss, self discovery, mental health battles, and acceptance each song is a powerful and sudden realization, an Epiphany.

The battles we fight inside ourselves are sometimes the hardest ones but when we share our experiences and the deepest, darkest parts of us we realize we're never alone in the darkness.
