ATLANTA, GA, UNITED STATES, June 2, 2024 /EINPresswire.com/ -- Soul Serenity & Leadership Conference: Uniting Voices for Global Change in Ghana

In a remarkable collaborative effort, Taurea Vision Avant from Book Profits Club and Britteny Petty have joined forces to launch the inaugural Soul Serenity & Leadership Conference. This historic event, featuring 18 influential speakers, is scheduled to take place in Ghana from December 29, 2024, to January 5, 2025. The conference aims to empower authors, speakers, and coaches globally while addressing crucial issues such as child labor and trafficking.

The conference will host an assembly of renowned personalities, including Bertha Winston, Destinee Brown, Carol George, Dr. Tashina Reeder, Dr. Obioma Martin, Tiffani Teachey, Deshonda Jennings, Lena Payton Webb, Dr. Dominique Carson, Dr. Veirdre Jackson, Inga Nykole, Dawn Menge, Daria Rosen, Dr. Zanthia Reddish, Dr. Ronda Stinson Boyd, Essie Dennis, and Abigale Patrick. These leaders will share their expertise and insights, aiming to inspire attendees to make a substantial impact in their communities and beyond.

Empowering Through Rich History and Education

The pinnacle of this seven-day event will be a significant session held at the Cape Coast Castle, a UNESCO World Heritage Site, on January 3, 2025. The castle, a symbol of the resilience of the human spirit through its history with the trans-Atlantic slave trade, provides a poignant backdrop for discussions on leadership and legacy. Conference participants will also have the chance to explore the West African Historical Museum located within the castle, which offers a profound look into the cultural and historical artifacts of the region.

A Global Call to Action

The Soul Serenity & Leadership Conference is more than just an event; it is a call to action for those looking to use their voices to drive real change. This conference aspires to build a community of motivated and empowered leaders committed to fostering global impact through education, advocacy, and direct action.
