Set to release on May 31st, 2024. this Zoey's highly anticipated project featured on VH1's Love & Hip Hop Miami promises to be a powerful exploration of the human emotional landscape, divided into two distinct yet interconnected parts: Healing and Revenge.

Zoey Brinxx intricately weaves her personal experiences into an expressive tapestry of sound, inviting listeners to navigate through the depths of their own emotional complexities.

Reflecting on the concept behind the EP, Zoey Brinxx shares, "Life throws curveballs, and our responses are often led by our emotions. 'Healing Over Revenge' is the growth we all aspire to achieve in handling life's challenges. While revenge may seem like an initial reaction, true growth lies in choosing healing over everything."

The Revenge segment of the EP serves as a creative outlet for Brinxx, where she channels her emotions into powerful verses and expressive melodies. "Revenge, in my eyes, is me getting my lick back creatively and expressively. It's about acknowledging those thoughts that cross our minds when we're angry but ultimately choosing not to act on them, you know those Coulda, Woulda, Shoulda thoughts" Brinxx explains.

In contrast, the Healing segment delves into vulnerability and acceptance, emphasizing the importance of acknowledging and overcoming life's obstacles. Brinxx emphasizes, "Healing is a voice for the voiceless, those who can't speak up maybe because they are scared or currently in
