

Alabama Mesothelioma Victims Center Urges a Former Steel-Iron Manufacturing Worker with Mesothelioma Anywhere in Alabama to Call the Birmingham Based Environmental Litigation Group-Hire More Qualified Lawyer for Results

BIRMINGHAM , ALABAMA , USA, April 29, 2024 /EINPresswire.com/ --

According to the Alabama Mesothelioma Victims Center, "Alabama is one of the nation's top steel and iron producing states and thousands and thousands of people who live in the state work at these types of workplaces. Iron and steel manufacturing has been a very big business in Alabama for generations. Iron and steel mill workers who were employed in these industries in the 1960s, 1970s or early 1980s in Alabama probably had asbestos exposure on a routine basis. If your loved one has just been diagnosed with mesothelioma or lung cancer and they worked at a steel or iron manufacturing facility in Alabama-please call the Birmingham based Environmental Litigation Group anytime at 866-714-6466.

"The lawyers at the Birmingham based Environmental Litigation Group have been assisting steel-iron mill workers and people with mesothelioma and asbestos exposure lung cancer in Alabama for decades and they are extremely dedicated to making certain their clients receive the best possible compensation results.
