

Government Technology Names Top 25 Doers, Dreamers and Drivers of 2024

Annual awards program honors visionary public-sector technology leaders

SACRAMENTO, CA, USA, April 30, 2024

/EINPresswire.com/ -- [Government Technology](#) magazine today

announced its 2024 Top 25 Doers, Dreamers and Drivers. Now in its 23rd year, this year's Top 25 honorees are innovators, collaborators and

transformers driven to improve state and local government through technology.

Featured in Government Technology's May/June issue, this year's roster of honorees includes state and local CIOs and agency leaders and nonprofit and education executives working to keep the public sector operating efficiently in service of residents across the country. See the full list of winners below.

"The GT Top 25 is an inspiring group of people who are standouts in their field," said Noelle Knell, executive editor of Government Technology. "They work to move their agencies and institutions boldly toward the future, and they provide a road map for others who are committed to tech-powered transformation."
